Partner In Crime

Reference number PT0950

JESSE

The pyramids, the Brooklyn Bridge, the Rio Grande, the Rhine.  
I've seen the seven wonders of the world,  
can't wait for eight and nine.  
But because of my predicament, my peculiar situation,  
to keep my profile low, low, low,  
I'm a one man operation.

WINNIE

*(spoken)*

Jesse! I've got it!

*(sung)*

You need a partner in crime.  
Someone to share in the view.  
Why see all of the world and all of its glories  
without a friend to tell your stories to?

JESSE

Someone to stand at my side.  
Two extra fists In a fight.  
Why should the road be long and lonely?

WINNIE:

Why not team up?

BOTH:

We've only got tonight.

JESSE

If no one's there to hear it, does a falling tree make sound?

WINNIE

Are we heard or seen or anything without a friend around?

JESSE

The Old Great Wall, the Taj Mahal, yes, they all have merit.

WINNIE  
But this trav'lin' fair could take the cake  
because you get to share it

JESSE  
(spoken)  
Carrot?

WINNIE (with JESSE)  
(sung)  
You need a partner in crime (I need a partner in crime)  
Someone to share in a laugh (someone to share in a laugh)  
Running a race without a pace setter

JESSE  
I'm out of place  
BOTH  
Without my better half!

WINNIE  
With you  
JESSE  
The fun is two-for-one  
WINNIE  
and choc full of surprises.  
With you the line moves twice as fast  
BOTH  
And no one realizes  
JESSE  
With two whatever we do now will merit reminiscing.  
BOTH  
With two I fin'lly feel somehow that something isn't missing

BOTH

Someone to share in the view.  
BOTH  
Why see the world and all of its glories
