It's Christmas In New York

Reference number PT1006

Church bells are ringing, choirs are singing,
joy they are bringing, it's Christmas in New York.
Streetlights are pleasing, snowflakes are teasing,
Central Park's freezing, it's Christmas in New York.

The stars in the heavens are so bright,
they tell of a baby that was born on this night.

Rest'rant signs swaying, blue skies are graying,
ev'ryone's saying, it's Christmas in New York.
Skyscrapers gleaming, Broadway lights beaming,
children are dreaming, it's Christmas in New York.

The lights on the Christmas tree are fine,
the sights of the shopping sprees, the gifts, yours and mine.
Stockings are filling, champagne is chilling,
it's all so thrilling, it's Christmas in New York.

Log fires are burning, Santa's returning,
filling each yearning, it's Christmas in New York.

(Instrumental)

Church bells are ringing, choirs are singing,
joy they are bringing, it's Christmas in New York.
Christmas in New York,
it's Christmas in New York.
Christmas in New York,
it's Christmas in New York.
Christmas in New York,
Oo.
