## Naughty Baby

Reference number PT1008

If you want a girl who's sentimental,  
One who'll never set you in a whirl,  
One who will be always sweet and gentle,  
I am not that sort of girl.  
But if you prefer a rather swift one,  
If you think you'd like to run around  
With a bright one,  
I am just the right one.

Naughty baby, naughty baby, who will tease you?  
I can show the way and know the way to please you.  
If you're wanting a beginner, I shan't do  
I can make a saint a sinner when I want to.  
If you find the simple kind are rather slow, dear,  
Then you ought to try a naughty one, you know, dear,  
But you'll never meet another who will be  
a naughty baby, naughty baby just like me.

Naughty baby we love you.  
Though you may be bad it's true  
Please don't go.  
For though we've been warned about you  
You must know  
That we want you so!

I'm the sort of girl you might expect to  
flirt with ev'ry fellow that she knew;  
Just the sort your mother would object to  
if she saw me out with you.  
But I always do the things I want to  
Ev'ryone will tell you that I show too much stocking.  
I am simply shocking.

Naughty baby, naughty baby, we adore you.  
Say you'll stay and let us lay our hearts before you.  
We're not wanting a beginner, you'll just do.  
Let us take you out to dinner, we should love to.  
We're depressed because the rest are rather slow, dear;  
You're not shy and that is why we love you so, dear,  
Ev'ryone of us is longing to pursue  
a naughty baby, naughty baby just like me.
