The Fabric Of America

Reference number PT1014

JACK

They say a day has twenty-four hours,
But that's a bluff.
A day has twelve dresses
Twelve of these dresses.
Until we make twelve, it ain't enough.

So we each got a job we gotta do.
I'll go through it once, just once
For those here who are new...

So first here's the "blaster"
Now Bella that's you.
Stitch one piece wrong, it's a wreck!
Assemble the garment
rem'bring you are meant
to make sure the sleeve ain't the neck!
