Someone You'd Be Proud Of

Reference number PT1015

FLICK

I've done a lot of things that I'm not proud of,
things that if you'd been around, I know would make you sad.
I've been a selfish person, one who gave up,
and never saw the things that I still had.

All I wanted was to see you everyday since you were gone,
but if I turn and look, I know I won't go.
So let memories stay memories kept safe inside my heart,
for ten years later, I finally think I know...

It's time to say goodbye.
It's time to start to try,
for who I've been is not who I should be.
It's time to choose what's right, instead of choose to hide,
From this day I promise I will try and see if I can be
someone you'd be proud of.
Someone you'd be proud of.

I never thought that I'd do something special,
If something needed saving, I was not the one you'd pick,
but now this place needs something like a hero,
and there's no one here but me.

I never can go backwards and undo the past,
The only moment I can change is this one.
There's no one left to follow and no arms to break a fall,
Yet for once, though I may fail, I swear I won't run.

But I'm a little scared,
I wish I was braver here,
Still, this time,
I won't give in.

It's time that I believe, expect I can achieve,
and if I fail, at least I gave it all.
It's time to choose what's right,
Instead of just to hide,
Maybe I can't change the world but I can try
and do my best to be
someone you'd be proud of.
Someone you'd be proud of.
Someone you'd be proud of.
I won't let you down.
