## Now's The Time

Reference number PT1032

Now the clocks are all wound up,  
Ticking off the hours.

Now the gifts are all bound up,  
trimmed with bows and flowers.

Now the pie's set out to air,  
topped with nuts and cherries,  
Now the pudding's all prepared,  
Filled with plums and berries.

Now's the time we all embrace.

Now's the time,  
Here's the place.

One by one the hours chime,  
Here's the place,  
Now's the time.
