For Forever

Reference number PT1060

End of May, or early June  
This picture-perfect afternoon we share  
Drive the winding country road  
Grab a scoop at "À La Mode" and then we're there  
An open field that's framed with trees  
We pick a spot and shoot the breeze like buddies do  
Quoting songs by our fav'rite bands  
Telling jokes no one understands except us two  
And we talk and take in the view

All we see is sky for forever  
We let the world pass by for forever  
Feels like we could go on for forever this way  
Two friends on a perfect day

We walk a while and talk about  
the things we'll do when we get out of school  
Bike the Appalachian trail or write a book or learn to sail  
Wouldn't that be cool?  
There's nothing that we can't discuss  
Like girls we wish would notice us but never do  
He looks around and says to me  
"There's nowhere else I'd rather be"  
And I say, "Me too"  
And we talk and take in the view  
We just talk and take in the view

All we see is sky for forever  
We let the world pass by for forever  
Feels like we could go on for forever this way this way  
All we see is light for forever  
'Cause the sun shines bright for forever  
Like we'll be alright for forever this way  
Two friends on a perfect day

And there he goes  
Racin' toward the tallest tree  
From far across the yellow field I hear him calling, "Follow me!"  
There we go wonderin' how the world might look from up so high

One foot after the other  
One branch then to another  
I climb higher and higher  
I climb 'til the entire sun shines on my face  
And I suddenly feel the branch give way  
I'm on the ground

My arm goes numb  
I look around and I see him come to get me  
He's come to get me  
And everything's okay

All we see is sky for forever  
We let the world pass by for forever  
Buddy, you and I for forever this way this way

All we see is light  
'Cause the sun burns bright  
We could be alright for forever this way

Two friends  
True friends on a perfect day
